The Munzai Secretary
to the Government of Mysore
Bangalore -

Sir,

Adverting to your Endorsement No 372, dated 6/12 October 1898, directing me to ap-
-ply to the Deputy Commissioner of Kadur for ap-
-pointment to the Peshkari of the temple at Kalasa, Mudigere taluk, which post is now vacant, I beg to represent that I have every reason to doubt of my success if I applied to the said Deputy Commissioner, who does not know me, with-
-out your strong support. The length and quality of my services, vouched by the testimonials from no less than 36 officers of this state, (Six of whom are Europeans of high fame) though in them-
-selves a sufficient support, yet they lose generally much of their effect on a stranger by the fact that I am a pensioner. It

Shall

Shall be naturally thought that I should be physically unfit for further work unless emphasis is particularly laid on my age which is a little over 55. I am still capable of turning out good work in any executive line, and so, this temple peshkari to which I aspire in my present helpless state (having absolutely nothing to live upon) is not a post in which I entertain the least doubt of giving entire satisfaction.

I therefore pray that you may be pleased to forward this and my previous petition to the Deputy Commissioner concerned for favourable consideration with your valuable and strong support; or kindly confer on me any other suitable post in the remaining Inungai Institutions. This shall be a true act of charity whereby as a means for my maintenance, during the interval between this and the grant of my petition which shall no doubt be a long one, shall be created to your fame.

My Service Register has been sent to the Court along with my Pension Roll & I therefore submit herewith its original for favor of perusal and kind return a few of the Certificates & copies of recommendations that I have with me. *5.

I beg to remain
Sir
Your most obedient servant
